

**TROOP 10 SUMMER CAMP  
Medication Permission Form 2011**

**Permission for Medication to be Given at Camp**

Medications will be stored at the Camp Health Lodge. Scouts will see the camp nurse to receive their medications at the appropriate times each day.

Prescription drugs should be sent in the original container from the pharmacy with the original identification, dose and contact information. It is suggested that you only send quantities needed for the week.

Medication Packaging for Camp: Please place each medication, prior to your arrival at camp, in small ziplock plastic bags. These are to be labeled with the scouts name and troop number. All individual bags containing separate medications should then be placed in a large ziplock plastic bag that is also labeled with the scout's name and troop number. **This completed form MUST accompany the scout's medications.**
